We are looking for your help with Auction Items

All donations received before and during the event will benefit our Veterinary Care Charitable Fund. This program of the American Veterinary Medical Foundation (AVMF) allows us to care for animals in our community when their owners face extraordinary hardships. We are hoping to raise \$30,000.00 for this fund, to help support our local residents who are not able to pay for preventative services (wellness care, vaccines) or emergency care for their pets. For more information on the program: www.AVMF.org/care
